

# Iowa City Intern Club

From dinner at local restaurants to arts festivals and block parties, summer in the Iowa City area has so much to offer! While your internship shows you the ins-and-outs of the professional world, local organizations want to help you unwind and get connected with each other and the community.

Interns who attend 3 or more of the events below and check in at our table will be entered to win one of our grand prizes. Each extra event is another entry to win! There will be free swag, door prizes, and networking opportunities at every event.
